## Understanding the World

RE: Which stories are special and why?

Compare and contrast seaside holidays from the past and the present.

A lifeguard has lost their float and needs the children's help. Experiment with a variety of materials, exploring which stay afloat the best in the water tray and find a new float for the lifeguard?

Provide children with a variety of different sunglasses to look at and try on. Explain to children they are going to make a new pair of sunglasses. Children can explore looking through different-coloured transparent materials, such as cellophane to choose the best 'glass' for their frames.
